

# TABLE OF CONTENTS

Staff of CIRFS.....	6
Fibres produced by CIRFS members.....	8
CIRFS member companies.....	10

## PART I - PRODUCTION

World Production of Cotton, Wool & man-made fibres.....	19
Production of cotton, wool and man-made fibres by countries.....	22
Production of Synthetic Filament Yarn.....	26
Production of Synthetic Staple : staple and tow.....	28
Production of Cellulosics.....	30
Detailed production of synthetics for major regions and certain countries.....	34
World production of synthetics yarn and staple.....	36
Polyamide production by countries.....	38
Polyester production by countries.....	42
Acrylic production by countries.....	46
Polyolefins & others synthetics production by countries.....	48
Cellulosics production by countries.....	49

## PART II - CONSUMPTION

European mill consumption of textile fibres.....	58
Total polyamide.....	58
Total polyester.....	59
Total acrylic.....	60

Total other synthetics.....	61
Total synthetics.....	62
Total cellulose.....	63

## PART III - END-USES

Fibre consumption in the main end-uses:.....	
U.S.A.....	66
Japan.....	68

## PART IV - TOTAL IMPORTS & EXPORTS

	IMPORTS		EXPORTS	
	73		165	
Synthetic Filament yarn.....	74	98	168	192
Synthetic staple (Staple, tow & tops).....	76	104	170	198
Cellulosic Filament yarn.....	78	110	172	204
Cellulosic staple (staple, tow & tops).....	80	116	174	210
Synthetic spun yarn.....	82	122	176	216
Cellulosic spun yarn.....	84	128	178	222
Synthetic-woven pure and blended filament fabrics.....	86	134	180	228
Synthetic-woven pure and blended spun yarn fabrics.....	88	140	182	234
Cellulosic-woven pure and blended filament fabrics.....	90	146	184	240
Cellulosic-woven pure and blended spun yarn fabrics.....	92	152	186	246
Synthetic and cellulosic knitted fabrics.....	94	158	188	252

Trade by fibre.....	259
Trade of E.U. 27 of each synthetic or cellulosic fibre.....	261
Trade of E.U. 27 in textiles and apparel.....	271
Classification of countries.....	278
