PART I - PRODUCTION

World production of cotton. wool and man-made fibres 13
Production of cotton. wool and man-made fibers by countries 14
Production of Synthetic Filament Yarn 17
Production of Synthetic Staple : staple and tow 18
Production of Cellulosics 19
World production of man-made fibres 20
Detailed production of synthetics for major regions and certain countries 21
Polyamide production by countries 24
Polyester production by countries 26
Acrylic production by countries 28
Polyolefins & others synthetics production by countries 29
Cellulosics production by countries 29

PART II - CONSUMPTION

European mill consumption of textile fibres 32
Total polyamide 32
Total polyester 32
Total acrylic 33
Total other synthetic fibres 33
Total synthetic fibres 34
Total cellulosic fibres 34
Total synthetics & celluloscis fibres 35

PART III - END-USES

Fibre consumption in the main end-uses
USA 38
Japan 39

PART IV - FOREIGN TRADE
